

5-Year STRATEGIC DIRECTION: ANALYSIS

Strategic Priority:

Collecting meaningful data to inform our services and other services in the community

Background:

A new computer system will help SCS make better decisions, create more precise plans, do more in less time and serve more people.

Goals:

SCS will have a computer system that makes it possible to get information needed by the community to plan for more services

Service Coordination
For People with Developmental Disabilities
Coordination des services
pour les personnes ayant une déficience intellectuelle

SCS is a non-profit, provincially funded agency that helps individuals and their families plan for and connect with community resources. In the last year, we served 3,500 adults and children with a developmental disability and children with autism spectrum disorder. Some services are provided in Ottawa and in the Eastern Region.

Our Mission

SCS helps individuals of all ages with developmental disabilities and their families, connect with community resources that meet their individual needs.

Our Vision

SCS is an innovative knowledge based organization, recognized as a leader by working in collaboration with our community to deliver high quality services to individuals with a developmental disability in our region.
