

5-Year STRATEGIC DIRECTION: PARTNERSHIPS

Strategic Priority:

Collaborating to create more supports in our sector and broader community.

Background:

Organizations in the developmental services sector are looking at different ways to work together and create more value for people with developmental disabilities. As a part of this group, SCS wants to find new solutions by working closely with its partners.

Goals:

SCS' collaboration with community partners will create more support and resources for people with developmental disabilities and will make it easier to navigate the system

Service Coordination
For People with Developmental Disabilities
Coordination des services
pour les personnes ayant une déficience intellectuelle

SCS is a non-profit, provincially funded agency that helps individuals and their families plan for and connect with community resources. In the last year, we served 3,500 adults and children with a developmental disability and children with autism spectrum disorder. Some services are provided in Ottawa and in the Eastern Region.

Our Mission

SCS helps individuals of all ages with developmental disabilities and their families, connect with community resources that meet their individual needs.

Our Vision

SCS is an innovative knowledge based organization, recognized as a leader by working in collaboration with our community to deliver high quality services to individuals with a developmental disability in our region.
