

In partnership with

A Special Continuing Medical Education Invitation from
Dr. Diane McIntosh

Please join me in **Ottawa on Friday, June 22, 2018**
at **The Royal Ottawa Mental Health Centre**
1145 Carling Ave. Ottawa, Ontario. K1Z 7K4

For a full day (9am-3pm) of clinically relevant, practical, engaging and
interactive psychiatric diagnosis and treatment education.

Topics include: depression, bipolar disorder and adult ADHD

You'll leave PsychedUp CME with:

- a plan for conducting highly effective, time-efficient diagnostic interviews
- a review of the most up-to-date, evidence-based, clinically relevant psychiatric treatments.
- a patient-focused, individualized prescribing plan that will save you time, lessen your clinical burden and relieve your patient's suffering.
- renewed confidence when managing mental illnesses in your busy practice.

Seating is limited
