

GIRL'S SOCIAL GROUP

WHEN: Thursdays, 6pm – 730pm
October 18th, 2018 – June 27th, 2019

WHERE: 190 Colonnade Road, Unit #15, Nepean, Ontario

The Girl's Social Group is specifically designed for preteen-teenage girls with an Autism Spectrum Disorder and/or other social, learning, or behavioural challenges. Focus of the group is to promote healthy and socially appropriate relationship-building skills with peers. The group will include structured learning activities as well as natural, activity-based learning to ensure that participants develop both a strong theoretical foundation of knowledge as well as the practical skills necessary to successfully establish relationships with peers at home, school, and in the community.

TOPICS INCLUDE:

Communication
Nonverbal Communication
Joining a Group
Conversational Skills
Compromise and Problem-Solving
Personal Boundaries
Emotion Regulation
...and more!

*For more information, or to register, please contact Anna Sadler at asadler@abaconnections.ca.
Spaces are limited and will be offered on a first-come, first-serve basis.*
